Sal **(Win Bandy)** tries to explain to Hazeltine **(Andrea Shipp)** what a wholesome and honest boy Heartbleed Haymeadow is.

Play Brings West to Stage

Mrs. Agatha Warren and the drama classes thrilled the hearts of students and faculty alike with the production of "The Saga of Sagebrush Sal."

The stars of the melodrama were Win Bandy as Sal and Wendall Bass as "Jake the Snake," but they weren't the only actors. Cowboys, Indians and dancing girls added sparkle and comedy to a lively plot. Audience participation was encouraged with posters reading "Hiss," "Boo" and "Clap."

Directed and choreographed by Mrs. Warren, the production was presented in two night shows for the public.

The "dancing girls" **(Susan Crist, Mikki Ricks, Karen Clampitt, Natalie Kindred, Angela McGee)** entertain the Cowboys and the audience doing a song and dance routine to "Let Me Entertain You."

The Squaw Short and Stout **(Donna Ruth Brister)**, patches up Sal after Chief Skin & Bones **(Jeff Jones)** has tried to scalp her.

Brad Cobb performs the marriage of Sal **(Win Bandy)** and Jake **(Wendall Bass)** and Hazeltine **(Andrea Shipp)** and Heartbleed **(Ernest Warren)** while cowboys and dancing girls witness.

Assorted Assemblies Appreciated

Students enjoyed a break from the hustle and bustle of schoolwork while attending entertaining and informative assemblies.

"The Saga of Sagebrush Sal," a three-act play performed by the drama classes delighted audiences in three performances.

Additional assemblies included Band Follies, two book reviews sponsored by the Library Club, NHS induction, cheerleader tryouts and the Mesquite Chorale. Students were charmed by the Texas Little Symphony.

Spirit Week Precedes Homecoming

Homecoming week started with a "spirit week" of assigned clothing for certain days. Each class was given a day to designate what students would wear to promote the most school spirit. Seniors chose "Overall Victory Day"; juniors — "Stomp 'em Day"; sophomores — "Bruise the Lions"; and freshmen — "Sock it to 'em."

But Homecoming spirit didn't stop there. It continued with a bonfire on Thursday and senior band members marching the traditional torch around the courthouse square.

The Homecoming parade was made up of 38 units including Homecoming queen nominees, bands, horses and floats. Juniors won first place in the float contest and were awarded $30 by the Hornet Booster Club. Sophomores ran a close second and seniors came in third.

Although the Hornets lost to Henderson, 28-15, the half-time activities were a success. Win Bandy was elected Homecoming Queen out of 26 nominees. After the game, "Disco" Dick Stafford played the jam at the Homecoming Dance in the HCJC Sub.

Seniors **Dale McMichael, David Ryon** and **Tracy Lemons** assist **Mrs. Diane Locke** in putting the finishing touches on their float.

Robert Bandy and **Missy Hall** enjoy the sounds of "Disco" Dick Stafford at the Homecoming Dance in the Sub.

Homecoming activities begin with a roaring bonfire on Thursday night.

Hornet football players show their enthusiasm during the school song. The raised finger means #1.

Brenda Loftis really gets down and gets into a yell.

Senior cheerleader **Kerry Harvey** shows her spirit and leads the student body through still another pep rally.

Pep Rallies Boost Student Body Interest

Pep rallies of 1978 left nothing to be desired by Hornet fans, students and faculty. Cheerleaders, band and Stingerettes led the enthusiastic student body at the regular Friday afternoon sessions and a few special basketball pep rallies.

Other than the regular gatherings on Fridays, there was a surprise rally on Hornet Circle before the Palestine game to build up spirit. The traditional bonfire before Homecoming gave fans another chance to cheer and the Homecoming parade ended in still another pep rally.

"The Old Couple" **(John Jackson** and **Patti Pagitt)** discuss the Energy Crisis and other things in one of the comedy skits.

Teague Emcees 29th Annual Follies

Students of AHS showed talent in singing, comedy, dancing and instrumental acts during the 1979 Band Follies.

"Don't Be A Pig", "Shave Anyone", "Cup Cakes", "Speedy Gonzalez", "Car Ride", "The Old Couple" and the Band Comedy made up the comedy act portions. "Ease on Down the Road", "The St. James Infirmary", "Sam" and "Part-Time Love" were some of the vocal acts.

The Master-of-Ceremonies for the Follies was Mr. Danny Teague, managing editor of the Athens Daily Review.

Sonja Fulton sings "Don't Cry Out Loud" for the Band Follies high school presentation.

Darla Baker, one of the cast members on the skit "Speedy Gonzalez", bellows out a song.

Mr. John Glover, warden in the POTHB comedy, creeps up behind some of his prison inmates.

Travis Lile accompanies Jody King and Darrell Kutcherousky on "Two Tickets to Paradise" during the HS show.

Jana Tidmore and **Mrs. Sas Cox** have a little chat while Jana gets some energy from the punch.

Juniors **Angela McGee** and **Darla Baker** work hard to put the finishing touches on the 1979 Jr.-Sr. Prom decorations.

Ship, Pier Set Mood for Prom

"Come Sail Away" gave the Jr.-Sr. Prom guests a feeling of being on a ship and set the mood for one of the favorite events of the year. Visitors were led onto the "ship" by Jr. Ushers who were waiting on the "pier" for their arrival.

Cookies and punch were served throughout the evening as juniors and seniors and their dates danced to the sounds of Dan Bell, a KVIL disc jockey.

Seniors **Tom Roberts** and **Susan Ward** seem to be enjoying themselves while they take a break from dancing.

Juniors **Kathy Glass** and **Jere Gunstanson** delight in a slow dance for a change instead of disco dancing.

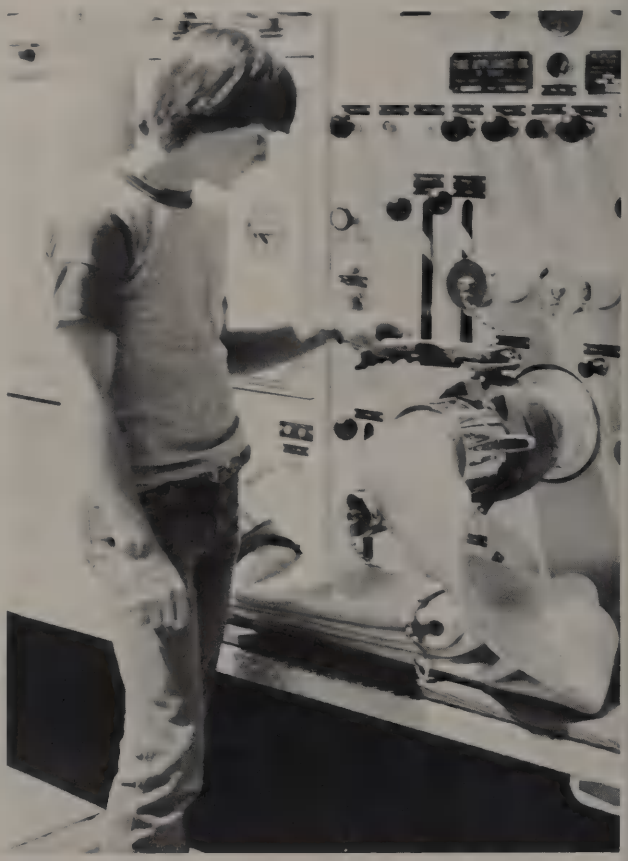
County Clerk **Talina Williams** learns some of the mechanics of her new position at the courthouse.

Students Enjoy Politics Game

Seniors once again were elected and took office in political seats in and around Athens — but for one day only, of course. This was one realistic lesson for showing students how our government really works.

Some of the positions held were county clerk, city attorney, district judge, sheriff, mayor, fire chief, district attorney and county judge just to name a few.

County Judge **John Jackson** rolls his eyes in disgust while County Attorney **Beth Mackley** pleads a case.



Fire chief **Kenneth Mitchell** examines some of the equipment on the fire truck to be sure it is working correctly.

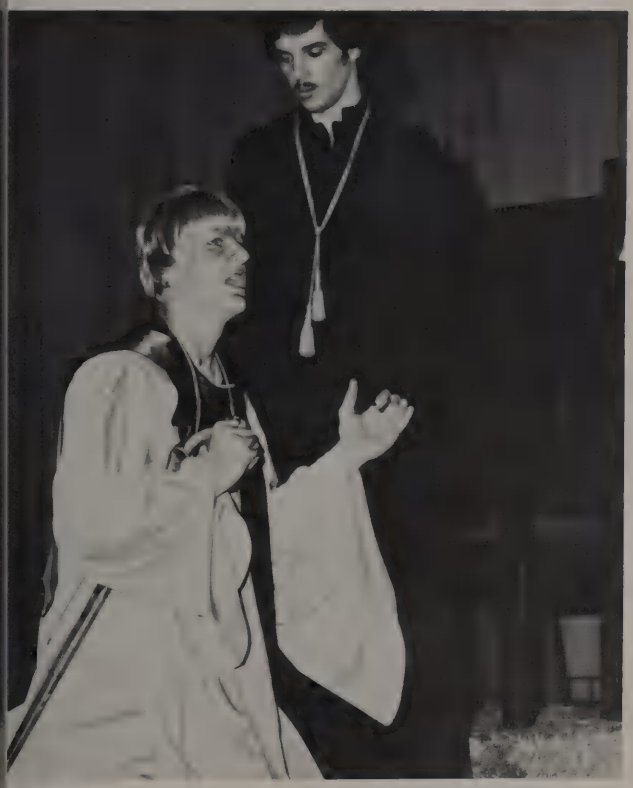
Joan **(Win Bandy)** pleads with Cauchom **(Greg Morrow)** to tell her that her army hasn't turned back.



Cauchom **(Greg Morrow)** and Warrick **(Brad Cobb)** realize the mistake they have made in burning Joan of Arc.

Win, Brad, John Make All-Star Cast

Cast members of "The Lark" received several awards in UIL competition. Win Bandy, John Jackson and Brad Cobb were elected to the All-Star Cast, a tribute to their individual performances in the story of Joan of Arc. A condensed version of a longer play, the one-act sequence was written by Mrs. Agatha Warren.

Greg Morrow, Travis Lile, Wendall Bass, Ernest Warren, Bryan Lindamood, Jim Bond, and Andrea Shipp made up the remainder of the cast. Cindy Long was the flutist.

Mrs. Warren directed the play with assistance from Mrs. Julie Owens, her student teacher. Cindy Head and Stephen Smith were understudies. Donna Ruth Brister worked the lights and Dawn Lane did make-up.

This is not the fashion in *Vogue, Glamour* or Paris, France, but it is a fashion in AHS and **Leia Curtis** was caught by the camera with it on. **Louann Laird** shows us an example of the blousy shirts that have become popular in the past year.

Another fashion is straight-legged jeans, high heels and blousy shirts and **Cathy Cox** models some examples.

Bell Bottoms Out, Straight Legs In

Straight-legged jeans, vests, high heels and blousy shirts were all part of feminine fashion in '78-'79. Bell-bottomed pants and silky shirts of previous years were "out." Guys also wore straight-legged jeans and cotton shirts with Chinese collars.

Clothing wasn't the only thing that had some changes. New words and old words with new meanings showed up in the vocabulary of AHS students. Examples of the current vocabulary are on the facing page.

Tennis shoes continued to be the footware of choice with casual clothes. Nike, Converse, Adidas, Puma and J. C. Penney were among the most popular brands.

Natalie Kindred shows that slinky dresses and high heels were yet another fashion worn by AHS students.

Phyllis Burkhalter stops her dad, **Mr. Phillip Burkhalter,** in the hall to ask for money. This was one advantage of having a parent handy.

Family Ties Seen on Campus

Whether many noticed it or not, at least eight students on campus this year had a parent on the faculty.

All of us know what it's like just having a teacher as a teacher, but not many of us have experienced the situation of having our mother or father present every day at school. According to most of those involved, there are advantages and disadvantages. For example, Mrs. Agatha Warren, who has been "at school" with all five of her children and had four of them in class, says, "I've had a lot of unsolicited advice, some of it surprisingly good." Another view is that of Stephen Smith, "I just pretend I don't know her."

Lisa Harville gets a big hug from her mother **Mrs. Kathryn Harville** after graduation. (Note: we are still wondering, what happened to this picture.)

Ernest Warren gets a few helpful hints from his mother, **Mrs. Agatha Warren,** during drama class.

Stephen Smith gets reprimanded in Topic English II class by his teacher and mother **Mrs. Trevanion Smith.**

Junior Danna Watkins borrows a pen from her mother, **Ms. Sue Watkins,** VOE Coop teacher. Donna's brother, **Scott,** also attended AHS.

Whitney Smith is not really sure he is the winner of the Drafting III award.

Exceptional Work Rewarded at Assembly

Mr. John Glover once again led the annual awards assembly which acknowledges exceptional work by students.

Over 100 plaques and certificates were given to students who excelled in academic departments, vocational contests, athletics and extracurricular activities.

Wade McIntyre receives a School Board award for his saxophone quartet's 1st Division from School Board President **Kenneth McGee.**

Mr. John Glover smiles happily as he hands out yet another award.

After eating hamburgers and such, some of the senior girls decide to just take it easy for awhile and lie out in the sun.

While the girls "lay out" a few of the boys play a little football.

Junior Ushers **Lance Waggoner** and **James Murphy** make sure that the seniors have all that they want to eat.

Senior Day Brings Food, Fun and Sun

After the awards assembly Seniors and Junior Ushers headed out toward Log Cabin Estates for food and fun at the annual Senior Picnic.

Lunch consisted of hamburgers, chips, cookies, and cokes, all served by Junior Ushers. After the Seniors had eaten their fill of food they enjoyed the rest of the day laying out in the sun, swimming and throwing students and teachers into the lake.

Deborah Wilson and **Marcella Williams** check each other's appearances before marching out onto the field. Five minutes later everyone moved inside out of the rain.

Bennie Berry, James Billings, Rodney Blanton and **Billy Cope** all listen carefully to the Baccalaureate message.

The Seniors of 1979 finally make it. They move their tassels over to the other side after having been declared graduated.

Superintendent **Richard E. Smith** helps to move the decorations for the graduation ceremony over to the auditorium.

Graduation Held in Stuffed Auditorium

Baccalaureate services were carried out as planned on Bruce Field May 27. Dr. John Stewart of the First Christian Church spoke to the graduates on traveling the road of life.

Rain and lightning brought disappointment to 205 when the graduation ceremony had to be moved inside to a very packed auditorium. Students were still delighted by the fact that twelve years of studying and homework had come to an end.

After valedictory and salutatory speeches were given by Paul Baker and Teresa May, numerous scholarships were announced. Then came the crowning glory. Superintendent Richard E. Smith declared the seniors graduated. Diplomas were handed out by School Board President Kenneth McGee.

Pastor of First Assembly of God, the Reverend Charles Wigley, opens the Baccalaureate service with prayer.

Vocational Courses Abound

Vocational office education, accounting, shorthand and typing I and II were the business education classes offered to students who wished to work in the business world. Other vocational courses included Industrial Cooperative training, Home Economics Cooperative Education, Vocational Agriculture, Auto Mechanics and Distributive Education. Vocational courses attracted some 200 students.

Variety Found in English Department

Topic and Basic English offered a variety of subjects this year including grammar, literature, poetry, speech and drama. Basics in grammar and literature were taught to freshman and sophomore classes, while formal themes were stressed in junior and senior classes.

Subjects included in the Social Studies department were American history, World history, Government, Texas history and a new course this year was World geography. Sophomores had a choice between World geography while juniors automatically took American history. Two quarters of government and one quarter of Texas history were taught to seniors.

Junior **Lynda Watt** desperately fans herself on a hot day in Mrs. Peggy Jackson's 4th period American History class.

Four Choir Members Advance to Region

Tryouts for the Select Choir were held in the spring to determine this year's members. Some 50 students were accepted. Hope Jackson, John Jackson, Bob Hendley and Laurie Woods were later named to Region Choir. John and Bob then progressed to Area Choir, and John went on to make the State Choir, Athens' first student to win this honor.

The music department included three bands: varsity, freshman and stage band. The varsity band was further divided into two sections during contest season for the purpose of a more controlled sound. During Band Follies and in the Spring Concert the varsity band played as one unit. Always an active segment of school life, this year's band was exceptionally busy. Concerts, a Christmas dance, Band Follies, parades, contests and numerous practice sessions kept the musicians on their toes. Still in the planning stages at this writing is a much anticipated trip to Denver in June.

Art was offered on first, second and third year levels, with Art III being new this year. Tempera, pen & ink and pencil drawing were among many things students enjoyed. Art II and III classes exhibited their best work in spring Art show. First National Bank provided space for the display.

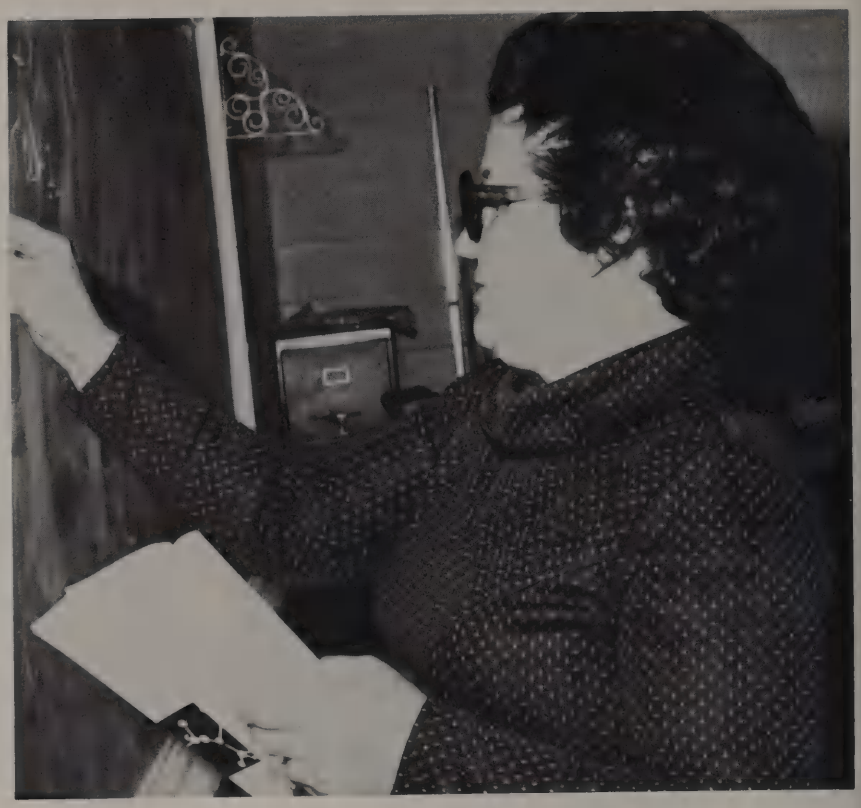
Smiles turned to tears for junior **Kathy Glass** and the rest of the band when the long-awaited, new band uniforms didn't fit.

Band director **Mr. Glover** leads the band in "Cheers and Chasers" during a Friday afternoon Pep Rally.

Advanced Science Added

The Science Department continued to offer Biology II and added Advanced Science or Chemistry II, made up of ten juniors and seniors. Advanced Science class studied problems more in depth and had more definite lab work, the course was added to further aid students in preparation for scientific fields of study. Physical Science, Chemistry I, Biology I, and Physics completed the Science curriculum.

A well rounded course of study was included in the Math Department beginning with Related Math I and II, Algebra I and Geometry. Algebra II and Advanced Math were designed for college-bound students.



Mrs. Loretta Davis explains a difficult equation to her 6th period Chemistry I class. There were three sections of Chemistry I this year.

Classes in Health gave students the opportunity to learn the functions of the body, basics in first aid, and good nutritional habits.

Led by Hornet blockers, **Darryl Dunnington** (10) makes his way downfield against the Waxahachie Indians.

Ennis Upset in Season Opener

The Ennis Lions were stunned with a 14-12 defeat in the opening game of the season. Picked to win the 6AAA South Zone, Ennis managed five first downs to 10 for unranked Athens. In the second quarter lineman Steve Andrews set up the Hornets first TD on an interception and 34-yard TD run. The Lions retaliated with a 59-yard TD run. The PAT was wide leaving Athens a slim 7-6 edge. A 76-yard kickoff return by Dunnington pushed the Hornet lead to 14-6. Still in the third quarter, an Ennis lineman grabbed a fumbled handoff and thundered 75 yards for another six points. The Lions attempted a two-point conversion to tie the score, but the pass was incomplete, and the Hornets clung to a victory.

The Waxahachie Indians were equally as stunned the following week. Explosive plays by the Hornet offense totaled 348 yards, 130 of which came via eight passes by Dunnington. Following an early TD by Waxahachie the Hornets scored on a 47-yard pass to David Ryon, then went ahead 13-7 on a TD run by Danny Cofer. The Indians tied it up at 13-all in the second period, but Terry Stout blocked the Indian PAT to preserve the tie. In the third quarter Waxahachie gained a 20-13 lead, but the Hornets tied it up at 20-20 early in the fourth. Later, on a fourth-and-sixth situation at the 10, Robert Bandy kicked the Hornets to a 23-20 win.

Darryl Dunnington (10) looks for a receiver as **Jimmy Curtis** (78) and **Maxie Barker** (40) block.

Fans Delighted With 4-0 Record

With less than a minute to go Robert Bandy kicked the Hornets to a 10-7 victory over the J'ville Indians.

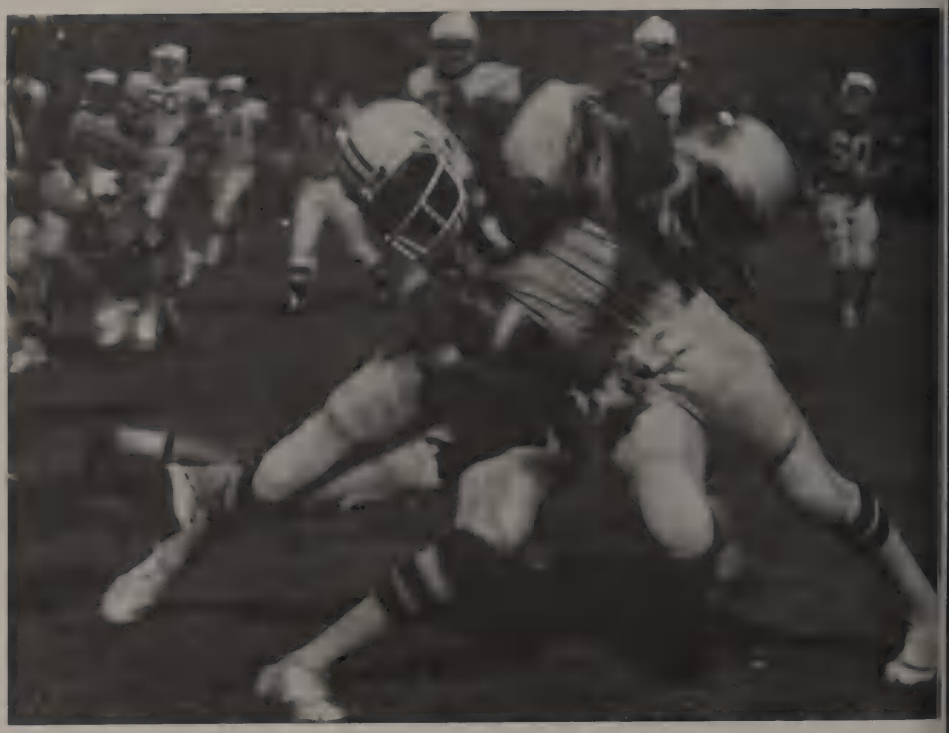
Early in the first quarter Danny Cofer crossed on a four-yard TD run.

The Hornet defense had effectively shut down the Indians until late in the final period when H'ville tied it up on a 6-yard pass play.

The Hornets wouldn't settle for a tie. With 54 seconds to go Bandy booted a perfect field goal, giving the Hornets a 1-0 district slate.

To say that the Hornets controlled Center would be an understatement. A final score of 52-14 told that Athens ran all over the Roughriders.

Danny Cofer accounted for 2 of the 7 TD's and Darryl Dunnington also put up 2. James Johnson, Ken Houston, and Maxie Barker each found the goal in the last period. Junior runner, Cofer picked up a total of 115 yards on 17 carries to lead in yards gained.



Darryl Dunnington takes a hard hit from the Jacksonville Indians. He carried for 46 yards and passed for 105 in the surprising 10-7 victory.

Darryl Dunnington (10) cuts around left end on a quarterback sneak against Henderson. He carried 18 times for 62 yards.

Hard-fought Defeats Stun Hornets

Carthage remained unbeaten and took a decisive 35-0 win, dropping the Hornets to a 4-1 season record.

The Bulldog defense held the Hornets to minus nine yards rushing and allowed only 86 yards gained passing. The strong and fast offense upholding their #1 rating, scored in every quarter, sparked by the quarterback and two runningbacks who each rushed over 100 yards.

Despite a strong comeback attempt by the Hornets, the Henderson Lions managed a 28-15 victory.

The Lions claimed three touchdowns before the Hornets could get on the scoreboard. In the second quarter Tres Winn recovered an onside kick which set up a Hornet touchdown.

Hornet scores were both by Darryl Dunnington and the two point conversion was scored by James Johnson and the PAT was kicked by Robert Bandy which ended the game to a score of 28-15.

Danny Cofer (24) scrambles for yardage. He accounted for 34 yards against the Lions.

Mistakes Cause Loss

The Hornets dropped to 4-3 when the Kilgore Bulldogs stunned them 35-0. Kilgore dominated the field the entire game, rushing 243 yards to the Hornets' 54, and holding a commanding 13-0 lead at the half.

Although there were brief moments of glory, the Hornet offense could never get moving with consistency, and Athens mistakes accounted for three of the Bulldogs' five touchdowns.

The Hornets roared from behind to defeat the Gladewater Bears 24-13. Gladewater held a 13-0 lead until late in the second quarter when Robert Bandy kicked a 23-yard field goal to cut the lead to 13-3 at the half.

A stunning 72-yard drive brought the Hornets to within three points of the Bears. A fumble recovery by Rory Baggett started the next drive, ending with the go-ahead TD by James Johnson and another successful kick by Bandy. Athens led 17-13 with 9:41 left. Savoring the sweet taste of victory, the inspired Hornets drove 73 yards in four plays for yet another score, this one a nine-yard pass to David Ryon in the end zone. Bandy's kick assured the Hornets of a 27-13 win and upped the season record to 5-3.

Defensive players **Tracy Lemons** and **Joe Henderson** crush the Gladewater receiver. The Bears crossed into Hornet territory only once in the second half.

James Johnson rushes to assist as **Danny Cofer** anxiously awaits the ball. Cofer led Athens in rushing against Kilgore.

QB **Darryl Dunnington** evades the Wildcat defenders while **James Billings** clears the way.

Defeat Strikes Again.

Rushing for an amazing 319 yards, Palestine handed the Hornets their fourth defeat in a hard-fought district match. Athens managed only 75 yards rushing, 46 passing and one touchdown.

The Wildcats' first score came only 16 seconds into the game, an omen of things to come. By the half they were ahead 21-0. The Cats scored two more times, once in each remaining quarter.

In the fourth period, Brady Pennington intercepted a Wildcat pass, setting up the Hornets' only score of the evening. It took some five plays, but QB Darryl Dunnington finally plunged over for the TD. The Hornets attempted a 2-point conversion, but James Murphy was clobbered at the goal line, leaving the final score at 35-6.

The season's final game was a disheartening 28-14 defeat at the hands of Chapel Hill. Offensively, the Hornets managed to stay in the game, moving the ball a total of 240 yards, and at the half trailed by only 7-13. Junior Kenneth Houston had scored early in the second quarter.

VOE Expanded to Two Full Units

Vocational Office Education was expanded this year to include two teachers for a full unit each of lab and co-op. Mrs. Loyce Watts was coordinator for the 28 senior co-op students who worked as well as attended regular classes. Mrs. Sue Watkins instructed lab students in techniques of operating business machines and helped them develop competence in business correspondence, filing and other general office skills.

Office Education Association, the organization associated with VOE, had as its money making project the sale of jewelry. Scheduled just before Christmas, the project brought in some $725.00 for the club's use. A special spring banquet was planned by the co-op students to honor local business people who employ VOE students.

Officers included Lisa Harville, president; Cindy Peters, vice president; Missy Hall, secretary; Cherie Foster, treasurer; Susan Ward, reporter; Patti Pagitt, historian; Joe Henderson, sergeant-at-arms; Darryl Dunnington, parliamentarian.

The Piney Woods DECA contest was held at Kilgore Jr. College in December. Of five members from Athens three placed in the categories entered and advanced to area competition. Categories included food marketing, apparel and accessories, finance and credit, advertising, general merchandising and petroleum marketing.

DE officers were Karl Houston, president; April Cleveland, vice president; Albert Minchew, secretary; J. H. Godwin, historian; Charlie Jones, parliamentarian; Carl Malcom, reporter; Denise Tullos, photographer. Mr. Steve Nicholson was sponsor. Band Boasts 150 Players

The "Pride of the Hornets" Band boasted approximately 150 members, the largest membership in AHS history.

Those same 150 band members were disappointed twice this year when the new uniforms they had ordered were faulty. The uniforms were too small and improperly sewn and had to be sent back both times they were received. In April a new contract was let, and hopes are high for new uniforms by October of next school year.

The band received a 2nd Division in UIL Marching, a 3rd in Playing and a 2nd in Sight-Reading.

John Jackson and Win Bandy were honored as "Mr. and Miss Pride of the Hornets," and Louann Laird received the Front Line Award.

Traditional activities included playing at all football games and pep rallies, producing the annual "Band Follies" and barely making a trip to the state fair in the broken down bus. The Band Booster Club sponsored a summer trip to Colorado for the band also.

Routines Show Versatility

"School pride makes the difference in a mediocre performance and a first class one. This group always does its best for AHS; the girls are top notch," summed up Mrs. Linda Cook in her first year as Stingerette sponsor.

The group, which was chosen from many girls who tried out, performed at all football contests. Officers LaDonna McLendon, Debbie Asmussen, Shelia Jenkins and Mikki Ricks attended summer camp at Dallas Baptist University where they learned dance routines which were then taught to the entire squad. Selected members went to Gladewater for contest, returning with a trophy for Best Ensemble group. Some also won medals in individual competition and later went to Grand Prairie for another contest. Stingerettes also served as hostesses at the annual Chamber of Commerce banquet.

Money-making projects were a dance in October and the sale of cheese and sausage in November.

A victory line waits to lead players onto the field at Jacksonville's Tomato Bowl. Athens beat the highly favored Indians 10-7.

An annual steak cookout and other recreational outings were also held. To finance club activities, FFAers sold programs at home football games, sold fruit at Christmas and took contracts on shop projects such as trailers and gates.

Herrington Qualifies for State

Six new sponsors gave the Rodeo Club increased enthusiasm and encouraged active participation in numerous area events. Much credit for this year's success was given to Mr. and Mrs. Ron Hudson, Mr. and Mrs. Cliff Edwards and Mr. and Mrs. Terry Herrington. "Our new sponsors have really increased interest and helped us triple our membership," affirmed Gary Kirkwood.

New dimensions were added to the team. One included sponsoring a ticket raffle for a $100 gift certificate to Cowboy Headquarters. Another was sponsoring a local rodeo in May.

Some members of the club placed at the rodeos, an honor considering that more than 500 members participated in the Lone Star High School Rodeo Association. Robert Mills placed 6th in chute dogging and Mike Herrington took a 6th, two firsts and two seconds in bull riding which qualified him to go to the State Finals for Region 4. Other participants included Gary Kirkwood, bareback riding; Michael Hudson, bull riding, calf roping, ribbon roping and team roping; Gene Joslin, bull riding and team roping; Randy Pettiette, posts and barrel racing; De Anna Foster, barrel racing; and Ronda Hudson, barrel racing and goat tying.

HECE Activities Not All Work

Home Economics Cooperative Education helped students in jobs related to home economics.

A banquet in May honored local employers of all the vocational groups. The FHA state convention in Ft. Worth was attended by Delores Mosley. A car wash and cookbook sale provided funds for trips and the banquet.

Officers were James Johnson, president; Delores Mosley, vice president; Becky Vaught, sergeant-at-arms.

Below, **Mikki Ricks** and **Mr. Parker** examine an ancient ring found on the AHS campus.

Sophomore **Kathryn Skelton** adds an orange slice to the punch bowl at the club's Christmas party. Mrs. Skelton looks on.

Archeology Club Finds Artifacts

The Archeology Club enjoyed many trips this year discovering old relics like mammoth bones, Indian graves and arrowheads. Members got together once a month to discuss their findings.

Christmas holidays were celebrated with a party at Lynn Skelton's home. Later in the year 30 members visited the Dallas Museum of Fine Arts exhibit of "Pompeii." Taking a ride down the Trinity River was another exciting thing the group did.

As a fund raising project the club sold ballpoint pens decorated with a maroon and white fighting Hornet. Proceeds were used to help finance the club's activities.

Homecoming nominee was Diana Rodriguez escorted by Jason Phillips. Mr. Terry Parker was faculty sponsor.

Upside down on the Rock-o-plane at Hemisfair, **Lisa Sheppard** and **Colinda Torrez** experience some thrills and chills.

Mike Nieman, Colinda Torrez, Chris Thomas, Kim Green, Barbara Whitley, Stephen Crocker, Toni Roddey and **Mrs. Judy Langford** enjoy a river boat ride in San Antonio.

Spanish Accents Applied

A special feature of this year's Spanish Club was a trip to San Antonio during that city's colorful Fiesta Week. Other activities included monthly meetings, the sale of shampoo and an end-of-school dinner at Down Mexico Way.

Officers of the club sponsored by Mrs. Judy Langford were Mike Nieman, president; Paula McMullen, vice president; Lisa Sheppard, secretary; Chris Thomas, treasurer.

Senior **Becky Vaught** arranges a display of clothing made by Homemaking students.

Loading up for a trip to the State Convention are **Shree Moore, Dametra Barker, Theresa Chilton** and **Darnetta Staples.**

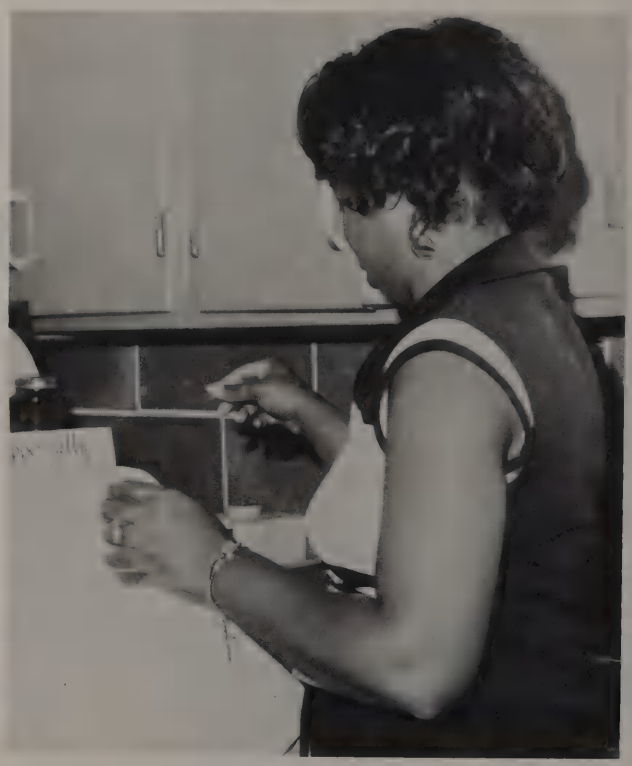
FHA Active in Community Service

Future Homemakers of America helped students acquire skills in different fields of homemaking including interior decorating and child care.

The club showed a movie "Thieves" to raise funds for trips.

In December members worked with the Department of Welfare, giving food and clothing to needy families. They also went carolling to all the nursing homes in town. In February they marched for the March of Dimes. Members also participated in the State FHA Convention in Ft. Worth, visited the State Fair in Dallas and enjoyed lunch at the Pea Patch.

Officers were Leanna Sims, president; Shree Moore, secretary; Demetra Barker, vice president; Darnetta Staples, treasurer. Faculty sponsors were Mrs. Helen Heggins and Ms. Pam Hudnall.



Various kinds of jelly made by Homemaking II students are observed and graded by **Mrs. Helen Heggins.**

October finds **Kim Young, Kathy Glass, Ronda Hudson, Donna Watkins** and **Win Bandy** outside watching for a freight truck to deliver the 1978 yearbooks.

Brenda Loftis celebrates her birthday with cake and presents from the staff.

Cupcakes loaded, **Dale Cook** rolls his cart out to start selling.

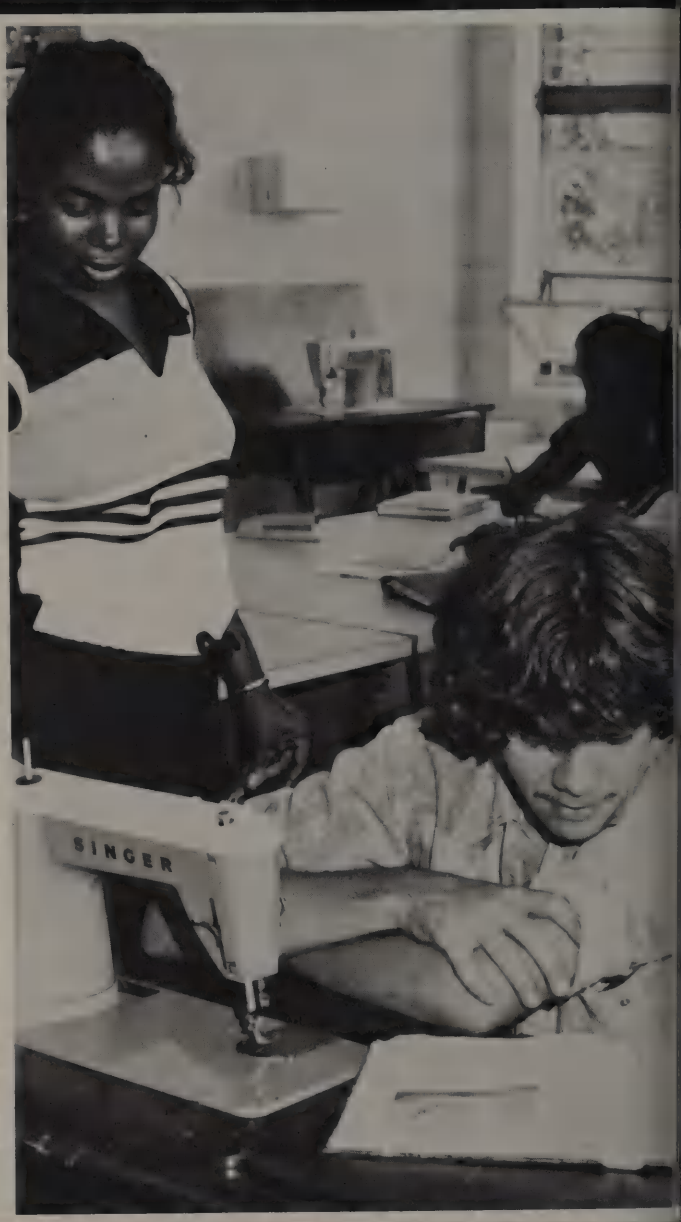
Editor **Brian McElhany** sets a good example — working.

Staff Compiles Memories

Trying to meet unreasonable deadlines in severely cramped quarters, eight upperclassmen struggled from August till June to put together the 1979 Athenian.

Trips to Taylor Publishing Company and the Interscholastic League Press Conference inspired the group to be creative and try new techniques.

A new endeavor in fund raising — the First Annual Cupcake Day — sold an amazing 700 cupcakes and netted $175 to finance staff trips.



Moods tell the story of people. Underclassmen anticipate the privileges of being "older." Juniors look forward to the prom and senior rings. Seniors look to the future with crossed fingers.

Moods make the difference.

At far left, **Glen McAlister** puzzles over the parts of the sewing machine as **Mrs. Helen Heggins** questions him about the presser foot.

A scowling Heartbleen Haymeadow **(Ernest Warren)** enters the Bloody Turnip Saloon.

Tina Humble and **Dawn Lane** roll up the week's run-through sign at the end of a pep rally.

Caldwell Resigns School Board Post

President of the School Board, Mr. Bill Caldwell, resigned after 13 years' service to the AISD. Voters elected Mr. Bill Park in April to fill the vacancy.

In addition to routine matters, the Board supervised construction and air conditioning authorized under last year's bond and began the first year of a summer school program for all grades. Also, plans were made to move the high school lunch program to the junior high campus, allowing renovation of the high school cafeteria for classroom space.

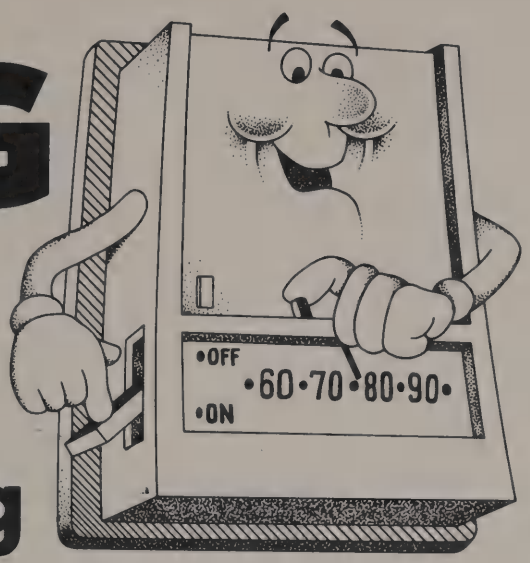
SAVING TIPS

on electric air conditioning



Air conditioning provides lots of comfort during the summer months, but for many thousands of homeowners it is also the biggest factor in the cost of electricity. On the average, air conditioning accounts for about half of summertime electric bills.

Here are ways you can hold down the cost of air conditioning and still enjoy its comfort.

Central Systems

1. Set thermostat on 78°, or higher, during the summer. Turn unit off if you'll be away from home several days.
2. Keep equipment at top operating efficiency. Have it checked seasonally by qualified serviceman.
3. Check filter every 30 days. Dirty filters cause equipment to use excessive electricity. If filter is permanent, clean by manufacturer's directions; if it's disposable, it should be replaced when dirty.
4. Keep furniture, draperies away from air outlets and returns. Clean grills often.
5. Close draperies and blinds to keep out direct sunlight.
6. Keep fireplace damper closed.
7. Proper home insulation keeps the heat out, cuts energy use. Insulation questions? Call TP&L.
8. Shade on roof and walls can reduce energy needed to cool. But trim trees, shrubs away from outside compressor unit. Keep it free of leaves, debris. If air flow is blocked, unit uses more energy.
9. Weatherstrip doors and windows; caulk cracks to prevent drafts and cool air loss.
10. Keep windows closed. Open outside doors as little as possible.

Window Units
Follow above suggestions, plus these:

11. Buy units with *highest* "energy efficiency ratio" (EER). Uses less electricity to cool. If EER is not on sales tag, ask for it or figure it yourself. Divide "wattage" into "BTU" capacity. Both figures are on unit.
12. Place unit where it'll get as little direct sun as possible.
13. Aim air outlets at lower half of doorway to next room to allow warm air from that room to enter at the doortop for recooling, recirculation.
14. Never vent air conditioner into garage. Ventilation is usually too poor for top performance of your unit.

Conserve electricity and you help conserve one or more of the fuels needed to produce it. Conserve fuels and you help assure that there will be enough to meet essential needs for electricity in the future.

When you pass a TP&L office, warehouse, generating plant or other facility, you'll see that we've turned off all non-essential lighting. And, in as many other ways as possible, TP&L is reducing its own uses of electricity.

If you would like additional information on conserving electricity, call the Customer Service Representative in the TP&L Office.

Mid East Peace Highlights Year

A new era of peace began in March with the signing of a treaty between Egypt and Israel. Numerous consultations between Egypt's President Sadat and Israeli Prime Minister Begin, with U.S. President Jimmy Carter, led to the treaty ending 30 years of hostility. The U.S. also took a major step in international affairs by formally recognizing Mainland China. Chinese Vice Premier Teng Hsiao-ping later visited the U.S. and Texas. Also significant internationally was the election of Pope John Paul I upon the death of Pope Paul VI. Pope John Paul I died 34 days into his reign and was succeeded by the first non-Italian pope in 410 years, John Paul II of Poland.

More than ever, U.S. citizens became aware of the fuel crisis, with gas lines growing longer and pump prices stretching near the $1 mark.

Texas politics changed with the election of Bill Clements, the first Republican governor in over a century.

In the sports world, the New York Yankees outplayed the Los Angeles Dodgers to take the World Series for the second consecutive year. The Pittsburgh Steelers upset Dallas in Superbowl XIII. The Seattle Sonics rolled over the Washington Bullets for the NBS championship, and Tom Watson captured golf's most prestigious prize, the Masters. Spectacular Bid won the Kentucky Derby and the Preakness, and at this point, is favored to take the Belmont, giving him the Triple Crown of racing.

One last look at a year that's past, happy times, sad times, good times and bad, all remembered because Moods made the difference

Nellie Jane Green and **Debra Wilson** wait to be served during the first annual cup cake day. **Angela McGee** along with **Paula McMullen** think back to yesterday in the '78 Athenian. **Charlie Jones, Mr. Jimmy Clancy** and **Randy McIntyre** discuss the problems of drafting at the lunch hour. **Mr. Bill Campbell** explains the fundamentals of biology to **Jan Orr** and **Whitney Smith.**

Donna and **Ronda** bring in a box of 1978 Athenians. Below, the photographer is surprised, but **Win** is having her picture made in a tux. Exhaustion overcomes **Kim** after a deadline is met. On the trip to Austin, **Kathy** agrees to a "Breathalizer" test designed by Mrs. Cannon.
